Bogdan Simion Junior Web Dev.

PROFILE

*Highly motivated junior frontend developer
looking for a job/<u>internship</u> where I can apply my skills on a larger development team.
Eager to tackle more complex
problems expand my JavaScript & React(currently at beginner level)
knowledge into perfecting
accessibility on responsive design and continue to find ways to maximize user efficiency.
My 2022 goal is to find an internship/junior position and work really hard so I can
accumulate knowledge and experience.*

WORK EXPERIENCE

My career started at 18 in a warehouse in Italy, then I found a customer service job in London while visiting some friends. My next jobs were constructions related, I was well paid and respected. The pandemic motivated me to come back home and start my own business, a coffee shop(didn't work out) it was a great lesson.
In 2020 I started as an Insurance Broker trough my company with Transilvania Broker franchise.
